

AURO NEEM

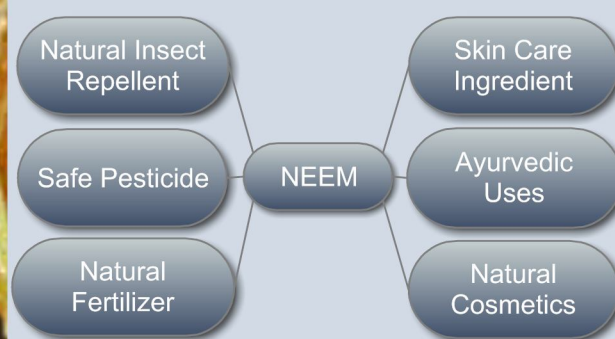

## Auro Neem Cake

Auro Neem cake is an organic by product of neem seed oil production. Neem cake is used as a natural fertiliser. The quality of the neem cake is determined by the amount of oil left in it, and also the process by which the extraction was done. The physical form of the Auro oil neem Cake is in powder or flakes form.

### Key Features of our neem oil

- Neem Cake is active in increasing the growth, leafage, results in rich blossoming, strengthening the roots and improving the general appearance of fruits & vegetables.
- While applied in conjunction with any Nitrogenous fertilizers, slows the conversion of Nitrogenous compounds into Nitrogen gas , thus making Nitrogen available to the plants for a longer duration.
- It prevents and treats ailment disorders of plants due to lack or imbalance of Nutritious and trace elements.
- It accelerates root development and overall plant growth and protects the plant from Nematodes and white ants.
- It is a totally organic plant food which increases productivity and soil fertility.
- It has antifungal properties and highly suitable for application in Greenhouses.
